11. The Administrative Departments of Government are further requested to ensure not only that the Departments under their control strictly restrict the expenditure to the provisions in the Budget for 1969–70 as stated above, but also to advise Government about items of grant or expenditure which are not productive enough and which can be given up in the interest of the State's financial position. In no case should they recommend proposals for additional funds over and above the Budget grants, unless there are specific orders of Government sanctioning additional expenditure with the prior concurrence of Finance Department. Heads of Departments and Controlling Officers should note that no expenditure should be incurred anticipating Government sanction for the expenditure or additional funds.

12. The instructions contained in this Official Memorandum should be scrupulously followed as Finance Department is compelled to exercise very strict control over expenditure in order to enable Government to avoid deficit financing.

By Order and in the Name of the Governor of Mysore,

N. S. BHARATH,

Budget Officer and Ex-Officio
Deputy Secretary to Government,
Finance Department.
